Coding
Listening to Music
Playing the Guitar
Discover New approaches in Coding

EDUCATION

Rizal Technological University
2018 – 2022
Dean's Lister for 4 Semesters with a consistent average of 1.4+ GWA
We've Studied fundamentals on Java and Python Programming, Object Oriented Programming with Java, Basic Plotting using Python's MATLAB library and an ongoing study on Machine Learning using Python. We manage to create a simple website using HTML and CSS that can perform the basics of MySQL's CRUD alongside a server-side scripting language PHP.

CERTIFICATIONS
